

Certificant Wallet Card Now Available Online

ONCB offers certifiants the opportunity to access wallet cards electronically, and save or print them.

1. Go to <http://oncbcert.goamp.com> and click on the “Sign In” button in the upper right corner of the page.
2. Your Username is your first and last initial and zip code you used when you registered for the exam (e.g., DR29073); please note that the log-in is case-sensitive.
3. Password is oncb2012 (oncb in lower case)
4. From the dropdown menu under “Membership,” click “Print Wallet Card” to access your current card. From this view, the file can be printed by clicking on your print or printer icon or saved to your computer as a PDF (viewed with Adobe Reader).
5. You can also verify your certification expiration date. From the dropdown menu under “Membership,” click “Certificant Data” to access information about your next certification expiration date.
6. To change your password after initial log-in (**not recommended**), please hover over the word “Membership” in the navigation bar, and click on “My Account” from the dropdown menu. Scroll down the page to the section titled “Account Settings” and you will see the blue link to “Change password.”
7. Please be sure to “Sign Out” in the upper right corner of the page after you have finished.
